3. PAIR WORK TASK #1
Work with your partner in English. Think of one product that fits into each section of a lifecycle. Make suggestions, agree & disagree using the following vocabulary:

Suggestions - How about........? What about........? What do you think about......?
Clarification - How old is it? When did it appear? Is it still popular? Does anybody buy or use that anymore?
Agree/Disagree - That's right. I agree. I don't think so! I'm not sure.
